How It Works

-
- STEP 1** Visit the library to **register** and pick up a starter kit. It's free and easy!
-
- STEP 2** Set a daily reading goal, check out some good books, and **start reading**.
-
- STEP 3** Enter our **contests** and attend some great **programs and events!**
-
- STEP 4** After you read for 15 days, visit the library for a "**half-way there**" prize.
-
- STEP 5** After you read for 30 days, you've finished! Visit the library for a **prize!**
-

We'll have FREE DAILY ACTIVITIES all summer! Most programs will be "drop-in" – which means you can come by anytime that day to participate. The exceptions are the special events highlighted below and Monday movies (please ask us for a list of movies and showtimes). Visit our blog at burbanklibrary.wordpress.com for details, updates, and new events. **Now get reading! And we'll see you at the library.**
