

Touchet Community Library presents

Make a Splash into Summer Reading!

Parents, grandparents, and sitters, Summer Reading is a time to dive into some great summer activities for the whole family. Touchet Community Library will be THE place to be after school is out. June 18th is the beginning of sign-ups for the programs, which have a water based theme. We have a full six weeks of programs, stories, games, prizes, and awards to keep the kids busy and learning. Below is a list of the programs and dates. Wednesdays will be geared for 4th-8th grade students. Friday's programs will be geared to those from preschool through 3rd grade, however a child may want to go to all of them—and that's wonderful! Programs begin at 2:00 p.m. on both days.

June:

Wednesday 23 "Sparkling Clear @ Your Library—Create and learn about Crystals"

Friday 25 "Sparkling Clear @ Your Library" (The uncomplicated version)

Wednesday 30 "Octopus's Garden" (Make an octopus from yarn)

July:

Friday 2 "Octopus's Garden" (Make a "trained octopus")

Wednesday 7 "Wet and Wild" (How to make marbled stationary)

Friday 9 "Catch of the Day" (Make a fingerprint fish)

Wednesday 14 "Precious Water: The River in Our Valley"—Stacia Peterson will be describing why we need to keep our water pure

Friday 16 "Water Wonders" Create an underwater scope

Wednesday 21 "Wonders of Water: Restoring the Riverbanks" Mike Denny will talk about the importance of vegetation along our streams and what we can do to help.

Friday 23 "An Ocean of Fun" Let's play some water games

Wednesday 28 Splish Splash—More and different water games

Friday 30 "A Whale" of a Party" Let's celebrate our achievements!

Contact Carlotta Richardson @ 394-2329

Monday and Friday from 12-5 or
Wednesday 12-8

Most programs will include a craft and a story, occasional songs, prizes, and other fun things to do.
